

EMBASSY REGISTRATION

The U.S. State Department recommends U.S. citizens register with the U.S. Embassy(s) in the country they plan to visit. Feel more secure about your international travels by having us register your trip with the U.S. Department of State. Registration notifies the U.S. Embassy in each country of your travel plans and enrolls you in the State Department travel advisory and warnings program.

Complete the questions below and submit this form along with all of your other visa application documents. A low cost of just \$25.00 per traveler covers enrollment for an unlimited number of destinations.

Once your application is processed, you will receive an email from CVSC after your information has been registered.
