

# DOCUMENT PREPARATION SERVICE - INDIA

Account Code: 73126

VisaCentral provides an optional service to assist travelers with the India visa application: our secure Document Preparation Service. The fee for this optional service is \$80.00 and is NOT covered under the prepaid visa package you purchase from the cruise line. It's easy:

1. Type or clearly write answers to all fields on the optional Document Preparation Service request. Then save the file or scan and save the file to your computer.
2. Submit the saved file to us by uploading it securely at <https://visacentral.com/upload-forms?service=docprep>. We'll complete the visa application on your behalf in 24 hours or fewer, excluding Saturday or Sunday and contact you if any information is missing or incomplete.
3. We will send you the completed official India visa application via encrypted email with instructions on how to decrypt the file.
4. Print, inspect and sign the completed official India visa application and send it to us with the rest of your application materials to the office address listed on your visa application checklist.

Questions about this service can be answered by VisaCentral Customer Care at 800-313-1215. Do not send the other application materials until you have printed, inspected and signed your official India visa application form from VisaCentral. This is not the official visa application. It is an optional service.
