

# DOCUMENT PREPARATION SERVICE - TANZANIA

Account Code: 73032

VisaCentral provides an optional service to assist travelers with the Tanzania visa application: our secure Document Preparation Service. The fee for this optional service is \$80.00 and is in addition to the applicable consular and processing fees. It's easy:

1. Type or clearly write answers to all fields on the optional Tanzania Document Preparation Service request. Then save the file or scan and save the file to your computer.
2. Scan a copy of your passport information page.
3. Submit the saved files (this form and your passport information page) by uploading them securely at <https://visacentral.com/upload-forms?service=docprep>. We'll complete the visa application on your behalf in 24 hours or fewer, excluding Saturday or Sunday and contact you if any information is missing or incomplete.
4. We will send you the completed official Tanzania visa application via encrypted email with instructions on how to decrypt the file.
5. Print, inspect and sign the completed official Tanzania visa application and send it to us with the rest of your application materials to the office address listed on your visa application checklist.

Questions about this service can be answered by VisaCentral Customer Care at 855-612-4246. Do not send the other application materials until you have printed, inspected and signed your official Tanzania visa application form from VisaCentral. This is not the official visa application. It is an optional service.
